About Moravian College

Moravian College is a private, selective, liberal arts institution located in the heart of the Lehigh Valley in Bethlehem, Pennsylvania. Founded in 1742, it is recognized as the sixth-oldest college in the country. Enrollment is approximately 1,500 undergraduates each year, which maintains a favorable faculty to student ratio, small class size, and emphasis on personalized teaching.

Moravian College believes its mission is to integrate a liberal arts education with preparation for life, enriching students in and out of the classroom. Moravian aims to give its students a foundation for careers or graduate/professional school, for continued lifelong learning, and for a values-oriented approach to society.

With over 50 different programs of study and more than 70 clubs and organizations, Moravian offers flexibility and diversity among all academic and extracurricular areas. The College grants the Bachelor of Art, Bachelor of Music, and Bachelor of Science degrees.

On the athletic fields, Moravian's 20 men's and women's varsity teams have a winning tradition. During the 2008-09 school year, Moravian teams won six Landmark Conference championships with 14 teams reaching post-season play including NCAA Championship berths for the women's soccer, women's basketball and softball teams and ECAC Championships for the men's and women's outdoor track & field teams. In addition, ten student-athletes earned All-America status, including one *ESPN The Magazine* Academic All-American and one national champion in track & field.

A Division III institution, Moravian has excellent athletics facilities, including the venerable Johnston Hall, Breidegam Fieldhouse, and the Steel Field athletics complex, including Sportex Turf on Rocco Calvo Field and an eight-lane, Olympic-quality Mondo track, both installed in 2005.

The College has a strong sense of identity and purpose firmly rooted in a long and rich tradition. Both in and out of the classroom, Moravian and its students maintain that tradition.
