A Note About Security Deposits

A security deposit was made the first semester you entered into a contract for a campus room. After graduation, security deposits are returned to you. The refundable amount equals the original security deposit less any assessed dorm damage or other outstanding balances due to the college. The refundable amount may range anywhere from \$0 to \$100.00. If you select this method of payment, your payment will go directly to the Development Office toward the Senior Class Gift. *Please use whole dollar amounts (i.e. no \$20.09) for the security deposit option!!*

*Commuter students do not have a security deposit and cannot choose this method of payment. Students who have been granted an off-campus release may no longer have a security deposit available. If you are in doubt whether you have a security deposit available, please contact the Bursar's Office 610-861-1334.

Pledges paid by June 30, 2009 will make you eligible for Vespers Tickets. Thank you!
