

**2017–2018 Additional Information
Expenditure & Resource Statement**

The income reported on your (or your student's) 2017–2018 Free Application for Federal Student Aid (FAFSA) appears to be insufficient to meet basic living expenses. The law says that before awarding financial aid, we may ask you to confirm the information reported on the FAFSA. This purpose of this worksheet is to determine how the basic needs of your household were met during the prior year. Please respond to each item. Your responses must be accurate and verifiable. **If the student was required to provide parent information on the FAFSA, answer each question below as it applies to the student's parent(s) whose information is on the FAFSA. If the student was not required to provide parent information on the FAFSA, answer each question below as it applies to the student** (and the student's spouse, if married). Indicate "0" (zero) or "N/A" if an item does not apply to you. **Incomplete forms will not be processed.** If you have any questions, contact Financial Aid Services as soon as possible so that your financial aid will not be delayed.
