About Moravian College

Moravian College is a private, selective, liberal arts institution located in the heart of the Lehigh Valley in Bethlehem, Pennsylvania. Founded in 1742, it is recognized as the sixth-oldest college in the country. Enrollment is approximately 1,500 undergraduates each year, which maintains a favorable faculty to student ratio, small class size, and emphasis on personalized teaching.

Moravian believes its mission is to integrate a liberal arts education with preparation for life, enriching students and out of the classroom. Moravian aims to give its students a foundation for careers or graduate/professional school, for continued lifelong learning, and for a values-oriented approach to society.

With over 50 different programs of study and more than 70 clubs and organizations, Moravian offers flexibility and diversity among all academic and extracurricular areas. The College grants the Bachelor of Art, Bachelor of Music, and Bachelor of Science degrees.

On the athletic fields, Moravian’s 18 men’s and women’s varsity teams have a winning tradition. During the 2009-10 school year, Moravian teams won seven Landmark Conference championships with ten teams reaching post-season play including NCAA Championship berths for the baseball, women’s basketball and softball teams. In addition, 13 student-athletes earned All-America status with three national champions in track & field.

A one-quarter of Moravian’s student body participates in intercollegiate athletics every year, and many more compete in club sports and intramurals. Moravian’s student-athletes excel academically. The College has had 33 Academic All-Americans, while more than 70 student-athletes earn spots on the conference All-Academic Honor Rolls yearly.

A Division III institution, Moravian has excellent athletics facilities, including the venerable Johnston Hall, Breidegfield House, and the Moravian College Steel Athletics complex, including SpartaTex Turf on Rocco Calvo Field and an eight-lane, Olympic-quality Mondo track, both installed in 2005.

With a strong identity and purpose firmly rooted in a long and rich tradition. Both in and out of the classroom, Moravian and its students maintain that tradition.
