### About Moravian College

Moravian College is a private, selective, liberal arts institution located in the heart of the Lehigh Valley in Bethlehem, Pennsylvania. Founded in 1742, it is recognized as the sixth-oldest college in the country. Enrollment is approximately 1,500 undergraduates each year, which maintains a favorable faculty to student ratio, small class size, and emphasis on personalized teaching.

Moravian College believes its mission is to integrate a liberal arts education with preparation for life, enriching students in and out of the classroom. Moravian aims to give its students a foundation for careers or graduate/professional school, for continued lifelong learning, and for a values-oriented approach to society.

With over 50 different programs of study and more than 70 clubs and organizations, Moravian offers flexibility and diversity among all academic and extracurricular areas. The College grants the Bachelor of Art, Bachelor of Music, and Bachelor of Science degrees.

On the athletic fields, Moravian’s 20 men’s and women’s varsity teams have a winning tradition. During the 2008-09 school year, Moravian teams won six Landmark Conference championships with 14 teams reaching post-season play including NCAA Championship berths for the women’s soccer, women’s basketball and softball teams and ECAC Championships for the men’s and women’s outdoor track & field teams. In addition, ten student-athletes earned All-America status, including one ESPN The Magazine Academic All-American and one national champion in track & field.

A Division III institution, Moravian has excellent athletics facilities, including the venerable Johnston Hall, Breidagam Fieldhouse, and the Steel Field athletics complex, including Sportexe Turf on Rocco Calvo Field and an eight-lane, Olympic-quality Mondo track, both installed in 2005.

The College has a strong sense of identity and purpose firmly rooted in a long and rich tradition. Both in and out of the classroom, Moravian and its students maintain that tradition.

2009-10 Season Preview

The 2009-10 Moravian College Golf team, under the direction of co-head coaches John Makuvek and Kevin Edwards, looks for the program to continue competing with the top teams in the region and its first season as an associate member of the Empire 8 Conference.

The Greyhounds placed first out of three teams competing in the Landmark Conference Tournament played at Saucon Valley Country Club’s Weyhill Course. Moravian also won two tournaments on the season and placed in the top five in ten of 12 tournaments. The Greyhounds posted a 4-0 record by winning two tri-matches.

Leading the Greyhounds will be junior Lucas Smith (Wyomissing, PA/Wyomissing HS), who finished the 2008-09 season with an average of 77.9 including a season low round of 71 at the Lehigh Valley Collegiate Tournament which earned him first place. Junior Seth Hartman (Boyertown, PA/Boyertown HS) completed the season with a 78.9 average and a low round of 73 at the Landmark Conference Tournament.
