Moravian College is a private, selective, liberal arts institution located in the heart of the Lehigh Valley in Bethlehem, Pennsylvania. Founded in 1742, it is recognized as the sixth-oldest college in the country. Enrollment is approximately 1,500 undergraduates each year, which maintains a favorable faculty to student ratio, small class size, and emphasis on personalized teaching.

Moravian College believes its mission is to integrate a liberal arts education with preparation for life, enriching students in and out of the classroom. Moravian aims to give its students a foundation for careers or graduate/professional school, for continued lifelong learning, and for a values-oriented approach to society.

With over 50 different programs of study and more than 70 clubs and organizations, Moravian offers flexibility and diversity among all academic and extracurricular areas. The College grants the Bachelor of Art, Bachelor of Music, and Bachelor of Science degrees.

On the athletic fields, Moravian's 20 men's and women's varsity teams have a winning tradition. During the 2008-09 school year, Moravian teams won six Landmark Conference championships with 14 teams reaching post-season play including NCAA Championship berths for the women's soccer, women's basketball and softball teams and ECAC Championships for the men's and women's outdoor track & field teams. In addition, ten student-athletes earned All-America status, including one ESPN The Magazine Academic All-American and one national champion in track & field.

A Division III institution, Moravian has excellent athletics facilities, including the venerable Johnston Hall, Breidegam Fieldhouse, and the Steel Field athletics complex, including Sportstex Turf on Rocco Calvo Field and an eight-lane, Olympic-quality Mondo track, both installed in 2005. The College has a strong sense of identity and purpose firmly rooted in a long and rich tradition. Both in and out of the classroom, Moravian and its students maintain that tradition.

The Moravian College men's soccer team has high expectations going into the 2009 season with the return of 20 letterwinners and eight starters. First-year head coach Todd Ervin is beginning his first season as the head coach of the Pennsylvania College of Science, which he has resigned his position with the Stoners since the NCAA does not permit coaches to coach their players in the off season, and Moravian usually has at least one player on the Stoners roster.

Ervin was an assistant on the Moravian men's program for three seasons, from 2004 to 2006, and he was also the head coach for the Cedar Crest College women's soccer team for the last two seasons.

Ervin has his National Soccer Coaches Association of America (NSCAA) Academic All-American having graduated with distinction. After graduating from Muhlenberg College in 1998, Ervin went on to play three seasons with the New Jersey Barons Professional Soccer team in the USL, and since 2001, has played in the Lehigh Valley Soccer League.

While a student-athlete at Muhlenberg, Ervin helped the Mules to the NCAA Division III National Tournament each of his four seasons with a trip to the Final Four in 1995. The squad also won three Centennial Conference Championships, and Ervin was a three-time First Team All-Centennial Conference honoree as well as a three-time NSCAA Regional All-American.
