About Moravian College

Moravian College is a private, selective, liberal arts institution located in the heart of the Lehigh Valley in Bethlehem, Pennsylvania. Founded in 1742, it is recognized as the sixth- oldest college in the country. Enrollment is approximately 1,500 undergraduates each year, which maintains a favorable faculty to student ratio, small class size, and emphasis on personalized teaching.

Moravian believes its mission is to integrate a liberal arts education with preparation for life, enriching students in and out of the classroom. Moravian aims to give its students a foundation for careers or graduate/professional school, for continued lifelong learning, and for a values-oriented approach to society.

With over 50 different programs of study and more than 70 clubs and organizations, Moravian offers flexibility and diversity among all academic and extracurricular areas. The College garners the Bachelor of Art, Bachelor of Music, and Bachelor of Science degrees.

On the athletic fields, Moravian’s 18 men’s and women’s varsity teams have a winning tradition. During the 2009-10 school year, Moravian teams won seven Landmark Conference championships with ten teams reaching post-season play including NCAA Championship berths for the baseball, women’s softball and softball teams. In addition, 13 student-athletes earned All-America status with three national champions in track & field.

Approximately one-quarter of Moravian’s student body participates in intercollegiate athletics every year, and many more compete in club sports and intramurals. Moravian’s varsity student-athletes excel academically. The College has had 33 Academic All-Americans, while more than 70 student-athletes earn spots on the conference All-Academic Honor Roll yearly.

A Division III institution, Moravian has excellent athletics facilities, including the venerable John Hall, Breidream Fieldhouse, and the Moravian College Steel Athletics complex, including SportSpurf Turf on Roesic Calvo Field and an eight-lane, Olympic-quality Mondo track, both installed in 2005.

The College has a strong sense of identity and purpose firmly rooted in a long and rich tradition. Both in and out of the classroom, Moravian and its students maintain that tradition.

2010 Season Review

Hitting Statistics

Expectations are high once again for the Moravian College Softball Team as the Greyhounds look to defend their 2010 Landmark Conference title and make a return to the NCAA Division III National Championship tournament. Having competed in three of the last seven Division III World Series including 2010, the ultimate goal of a National Championship is for the fall. Head coach John Byrne enters his 15th season with an excellent veteran coaching staff that was named the 2010 National Fastpitch Coaches Association East Region Coaching Staff of the Year. Returning for his 14th season, Coach Cardinal will serve as Assistant Head Coach and direct the infield. Sarah Maidens begins her second season as the Greyhound’s pitching and catching instructor. Former Moravian player, Leah Holmes ’05, continues in her third year as an infield coach. Rounding out the staff is Amy Rogers, who in her second year, will coach the outfield and assist with infield.

The leading returning infielders is senior middle infielder Stephanie Falzarano (South Plainfield, NJ/South Plainfield HS). Falzarano, a three year starter for the Greyhounds, is the leading returning in batting average and runs scored. Sophomore Jordan Moore (Staunton, PA/Parkland HS) returns to the infield after a very successful rookie season last year that lead the Greyhounds in both RBIs and home runs. Moore will see action at both third and second base. Sophomore Rebekah Batterby (Dingmans Ferry, PA/Delaware Valley HS) will be counted on to compete at all infield positions.

Sophomore Amanda Dinizio (Budd Lake, NJ/NJ/Olive HS) returns at first base after earning All-Conference honors as a freshman. Talented incoming freshmen include Lauren Ventriglia (Toms River, NJ/Toms River North HS) who will compete for time at third base along with freshman Rachel Delauter (Coffinville, KS/Methacton HS), who also can play in the outfield. The middle infield is bolstered by freshmen Evan Matz (Part Jervis, NY/Dealers Valley HS) and freshman Taylor Mihalik (Bethlehem, PA/Lower HS), who will also compete for time at catcher.

The catching position will feature both talent and depth. Along with Mihalik, returning catcher Cassie Ernst (Annapolis, PA/Annapolis-Ches HS) is expected to compete for playing time. In addition, sophomore Thomas (Pongaskegic, PA/Niagara Chesney) returns after a solid rookie season.
