For the 8th straight year the women’s basketball team will be celebrating at the Hall of Fame dinner as two more former Greyhounds are enshrined into the Moravian College Athletic Hall of Fame. Pamela Porter Grauer and Susan Zimmerman will become the 15th & 16th women’s basketball players so honored.

Pam’s career spanned from 1990-1994. During that time, her teams made it to the NCAA’s 3 times and had a record of 102-18. Sue was a Greyhound from 1991-95. She was a two time team MVP, two time MAC All-Academic team member, a three time MAC All-Star, and a Kodak Regional All-American. Sue finished her career second in scoring, second in three-point field goals, & three-point field goal percentage and third in field goals, free throws, steals, and scoring average. **Coach’s Thoughts: “Excitement and Confidence”**

As we approach another season I am filled with excitement, along with confidence. Our successful trip to Ireland and the return of 4 starters and 13 letterwinners gives me this confidence. The team has been working extremely hard in preseason and we are all ready to start practice and get the season underway. I hope you have the opportunity to come see us play this year. I thank you in advance for your support of our program.

I am also excited to have the honor of presenting two former players, Pam Porter Grauer and Susan Zimmerman, for induction into the Hall of Fame. It will be another great evening for women’s basketball here at Moravian. I am blessed to be associated with the program and thrilled to add the 15th and 16th player to the Hall of Fame from women’s basketball.

I look forward to seeing everyone soon!

**Katrina Relief: Helping ‘Hounds**

The Moravian College community has “adopted” a family who had to flee New Orleans as flood waters rose around them. This family is related to a Moravian College Alumna and they are permanently moving to the Lehigh Valley. They were rescued from the roof of their house leaving all possessions behind. In this effort the athletic department, including the women’s basketball team, has collected money and canned goods, and held a car wash to raise funds. We turned the cash into Giant and Wal-Mart gift cards totaling in excess of $2,100. Nothing can replace all that this family lost, however we like to think that our efforts will make their transition a little bit easier.

Player Profile: Nicole Savino

Nicole Savino, a senior, chemistry/secondary education major from Macungie, PA, tells us about her experience as a women’s basketball player at Moravian College.

Playing basketball at the college level was always a dream of mine, so obviously basketball played a part in my college decision. Choosing to play basketball was one of the best decisions that I have ever made. It has taught me to be disciplined, patient, given me confidence, and helped me to develop a relationship with a wonderful group of friends. On or off the court the basketball team has been a huge part of my college career. I can’t imagine life at Moravian without basketball.

I can’t believe that I am a senior already and the past three years have flown by so quickly. I am so excited for this season because I know that we have the talent to go all the way to the NCAA’s. We are going to force teams to give us the respect we deserve after being overlooked so many times. I am proud to be a Hound and cannot wait for the season to begin.
