MORAVIAN  
COLLEGE

## Moravian College Educational and Creative Achievements 2017

Moravian faculty include musicians, visual artists, educators and scientists, all of whom are actively engaged in education and creative achievements. The achievements for 2017 Moravian faculty include presentations at local, regional and national conferences, highlighting their research, showcasing peer reviewed posters, and serving in the role of discussants, responders, and panelists. Moravian faculty were also frequently invited to speak at institutes and lecture at foreign universities. Moravian faculty have an impressive array of creative accomplishments that include solo art exhibits, lectures, and book reviews. Our faculty are active participants in educational achievements in the Lehigh Valley. They have traveled the globe as well. In the U.S. they have visited, for example, San Francisco, Chicago, New Orleans, Boston, Minneapolis, and Washington D.C., and to countries including Canada, Costa Rica, Tanzania, Uganda, Hong Kong, South Korea, Slovenia and Japan.

It is with pride that I sponsor the 3<sup>rd</sup> Annual Educational and Creative Achievements of Moravian Faculty.

Cynthia Kosso, PhD  
Provost and Dean of the Faculty
