Dear [Student First Name],

The Office of Student Accounts has placed a HOLD on your account which prevents release of any transcripts/grades and also prevents class registration for a future term. You may review your Course and Fee Statement online via your AMOS account at amos.moravian.edu to determine your outstanding balance due and also to make immediate payment. If you have any questions, you are welcome to contact the Office of Student Accounts at (610) 625-7142 or studentaccounts@moravian.edu.
