Dear [Student First Name],

Your instructor, [Instructor Name], from [Course Section Id] [Course Name], has contacted the Writing Center to suggest that you make use of our services. As a student, you can work with tutors in the Writing Center for any class and any writing assignment.

You can schedule an appointment by visiting www.moravian.mywconline.com. For more detailed instructions on how to make an appointment, [click here](#). If you need further assistance, visit us on the second floor of Zinzendorf Hall or call 610-861-1592. Our [website](#) contains further information about the Writing Center and what you can expect during a typical tutoring session.

The Writing Center is located in a building that is not accessible to people with mobility impairments. However, we will immediately make arrangements for a Writing Center tutor to work with you at the Student Success Center in Reeves Library. We look forward to working with you in the Writing Center!
