

MORAVIAN UNIVERSITY

We Are Expanding Our In-House Clinical Services and are accepting new patients

- Do you have patients in need of group or individual speech, language, voice, and swallowing services?
- Are your clients interested in services at no cost?
- Services provided by Moravian University graduate students under the supervision of PA licensed and ASHA Certified SLPs

We cover a wide range of diagnoses for adult patients who have run out of insurance benefits, want additional services, or just want to give graduate students an opportunity to learn. Please contact anyone listed below for more information.
