***Suzuki Instruction (no group)***

The method known as Suzuki was developed by Shinichi Suzuki for teaching young children. The philosophy of the program of study is that talent and musicianship can be learned by any child. The method requires parental participation in each lesson and in home practice. No prior experience with the Suzuki method or with music is required of either the parent or the child. Sixteen thirty-minute lessons, one lesson each week, are recommended for young children (available for Cello, Piano, Violin and Classical Guitar). Special requests for 45-minute or 60-minute lessons may be granted pending consultation with the teacher.

- Students taking lessons must have an instrument on which to practice regularly.

Private instruction is available for the following areas:

Suzuki Cello  
Suzuki Guitar  
Suzuki Piano  
Suzuki Violin

***Attendance***

Students are expected to be present for all classes and lessons for which they are registered. Lessons that are cancelled by the teacher will be made up at a time agreed upon by both parties. Teachers are under no obligation to make up lessons cancelled by students, and such cancellations will not result in any type of adjustment of tuition.

If Moravian College is closed due to inclement weather, lessons and classes will be rescheduled. The following stations will broadcast information:

**RADIO: FM** WCTO 96.1 ♦ WLEV 100.7 ♦ B104 - WAEB 104.1  
**AM** WAEB 790 ♦ WEST 1400  
**TELEVISION:** WFMZ-TV Channel 69

***Placement with a Teacher***

New registrants for lessons will be placed based on teacher availability. Requests may be submitted for a specific teacher, but requests will be honored as the student and teacher schedules allow. Requests for a change of teacher must be submitted in writing to the MCM I Program Coordinator.

*Over please*
