

3+2 Master of Science in Athletic Training (MSAT)

Earn your bachelor's and master's degree in just 5 years!

What is the 3+2 Pathway?

Moravian's 3+2 Athletic Training pathway offers an accelerated route to earning your Master of Science in Athletic Training degree.

- **3 years** of undergraduate coursework
- **2 years** of graduate study in athletic training
- **Earn both a BS in Health Sciences and a MS in Athletic Training in 5 years** instead of 6+

Program Highlights

- **CAATE-accredited** Master of Science in Athletic Training
- **100%** Board of Certification (BOC) pass rate
- **4 years NCAA** athletic eligibility
- **50 weeks of hands-on clinical experiences**
- Access to **state-of-the-art labs and educational spaces**, including the Sports Medicine Rehabilitation Center and the Sally Breidegam Miksiewicz Center for Health Sciences
- **Professional networking and personalized** career mentorship

Why Choose Moravian?

- **Integrated learning** with classroom, lab, and clinical settings
- **Personalized advising** from day one
- **Connections with employers** of athletic trainers across the country and within every work setting
- **Research and professional development** opportunities
- **A supportive community** focused on student success
