

Scheduling a Peer Group Tutoring session

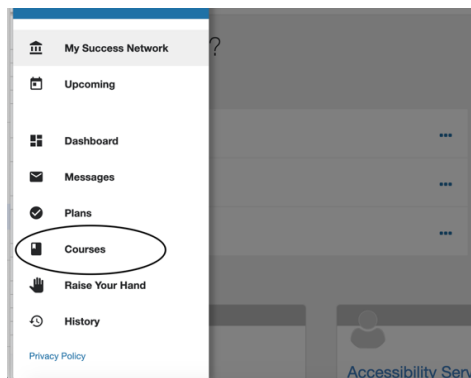

- Log into Momentum through the Moravian log-in portal (OKTA):

<https://login.moravian.edu/app/UserHome>

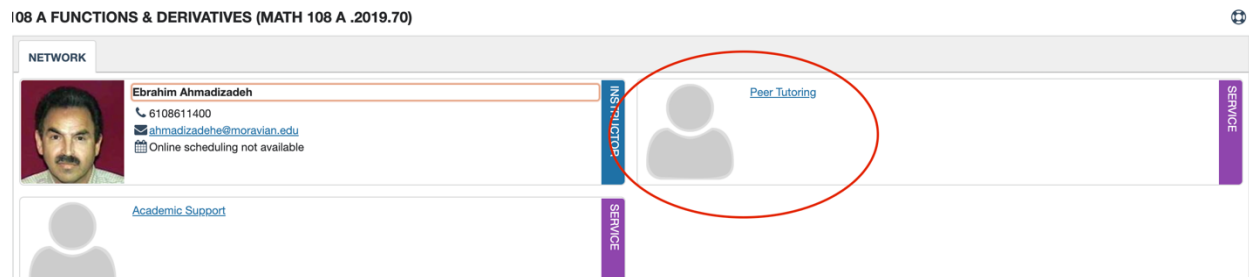

1. Click the menu icon in the upper left corner of the page to access the drop-down options.

2. From the drop down options, select “Courses”

3. From the “Courses” screen, find the course you would like tutoring in and select “Peer Tutoring” to see the list of available tutors. NOTE: Not all classes have tutors available!

4. Continuing from the instruction above, we'll use MATH 108 as an example. Based on their title, select a relevant Math tutor from the list.
