

MEET YOUR IPAD

HEY THERE, HOUND! It's unboxing time!

Open your iPad and follow this quick start guide to get started.
If you encounter any issues, contact help@moravian.edu for IT support.

1. Power On

using the button on upper right end corner.

2. Select Language

3. Select Country

4. Set Up Manually

If United States was not at the top in country selection, process may reset at this point.

5. Connect to Wifi

6. Click "Next"

in upper right corner for Remote Management.

7. Create Passcode

8. Activation

Wait a few moments while your iPad activates, then select "Get Started" on the Welcome to iPad screen.

9. Personalize

Visit moravian.edu/it/setup for more tips on how to personalize your device

STUFF HAPPENS. WE'VE GOT YOUR BACK.

Your iPad is covered by AppleCare+ with the following terms.

Cracked Screen or other physical damage: \$49

AppleCare+ for iPad includes hardware coverage and adds up to two incidents of accidental damage for the duration of the coverage term.

For more information about AppleCare+, visit apple.com/support/products/ipad.html
