

# MEET YOUR MACBOOK

## HEY THERE, HOUND! It's unboxing time!

Open your MacBook and follow this quick start guide to get started.  
If you encounter any issues, contact [help@moravian.edu](mailto:help@moravian.edu) for IT support.

### 1. Power On

using the button on upper right end of the touchbar.

### 2. Select Language

### 3. Select Country

### 4. Select Keyboard

### 5. Connect to Wifi

### 6. Click "Continue" for Remote Management.

### 7. Create Account

Select an account name and password.

### 8. Enable Location Services

### 9. Personalize

Visit [moravian.edu/it/setup](http://moravian.edu/it/setup) for more tips on how to personalize your device

### STUFF HAPPENS. WE'VE GOT YOUR BACK.

Your MacBook is covered by AppleCare+ for 4 years with the following terms.

Screen or other external enclosure damage: \$99

Additional damage affecting any other parts (e.g. liquid damage): \$299

*AppleCare+ for Mac includes hardware coverage and adds up to two incidents of accidental damage for the duration of the coverage term.*

*For more information about AppleCare+, visit [apple.com/support/products/mac.html](http://apple.com/support/products/mac.html)*
