

MORAVIAN UNIVERSITY

We Are Expanding Our In-House Clinical Services!

- Do you have patients who have exhausted all of their insurance benefits?
- Does your child need additional speech and language services?
- Are you or your loved one in need of additional speech, language or swallowing services following a stroke, brain injury or other neurological impairment?
- Are you interested in services at no cost to you?

Services provided by Moravian University graduate students under the supervision of PA licensed and ASHA Certified SLP

Pediatric through Adult
Clients serviced
