Who We Are

First Commonwealth Federal Credit Union has been serving individuals and families in the Lehigh Valley area since 1959. We are a consumer-friendly alternative to banking. Offering all the services you're accustomed to but at better rates and lower fees.

That's because First Commonwealth is structured differently than banks. We are a not-for-profit financial cooperative. First Commonwealth returns its' profits to members by giving higher dividends on savings, lower rates on loans, and fewer fees. We also offer a variety of financial services with helpful, money-saving features to meet your financial needs.

Financial Wellness

Our **Financial Wellness Program** gives you access to **FREE** online financial resources, courses, videos, and even includes a wellness check-up so you can assess your financial health.

Our team of **Certified Credit Union Financial Counselors (CCUFC)** are certified financial wellness coaches that counsel members in how to reach their financial goals. You can schedule a **FREE**, personalized counseling session in-person or virtually (phone, chat, or video).

GreenPath is a national nonprofit that equips people with knowledge and tools to lead financially healthy lives. For over 60 years, GreenPath has offered personalized assistance with financial crises: overwhelming debt, foreclosure, bankruptcy, or credit challenges.
