

Scheller for Congress Internship

The Scheller for Congress campaign is seeking dedicated and responsible interns to join our team. Internships are unpaid, volunteer positions intended to provide students with true on-the-job experience. The internship experience is designed to give students substantial exposure to practical, campaign-style politics on a local and state level.

Expectations and Job Description

There is more to being an intern than just making phone calls. While Voter ID and GOTV calls are extremely important during a campaign (and all levels of staff make them), there are many other essential tasks for interns to complete. From basic clerical tasks, to fundraisers and major events, your experience as an intern can be as involved and rewarding as you want it to be.

The Scheller for Congress campaign is looking for interns who are self-motivated and pay close attention to detail. Interns should be able to work independently as well as part of a team. Other qualifications include:

- A comprehensive knowledge of Microsoft Word and Microsoft Excel
- Strong organizational and interpersonal skills
- A strong interest in Republican politics and campaigns

Benefits of Being an Intern:

- *College Credit:* We will be as accommodating as possible and work with you to complete any and all requirements necessary from your school to attain credit for your time as an intern.
- *Flexibility:* Weekly hours and length of internship can be shaped around your schedule
- *First-hand experience:* Hands-on experience is the most effective way to learn the ins and outs of a campaign. You will interact with political and government staff from across the state and at all levels.
- *Relationship building:* Whether it's county chairs, state legislators, being involved gives you more opportunity to meet and get to know local, county, and state-wide leaders and elected officials.
- *Mobility:* We all know that time and money are in limited supply when in college. If you cannot make the trip to SFC campaign headquarters several times a week, we can arrange to have you help remotely.
- *Opportunity:* Hard work, dedication, and motivation are the traits that have put every Republican staffer in the position they hold today, and these talents do not go unnoticed. If you have the desire to advance in the political realm, being a dedicated and hard working intern will give you a better opportunity to become a staff member on a future campaign.
