You Are Here: Self Assessments

Welcome Mike to your journey of self-discovery. Begin by completing all the assessments below.
Short Preview

Directions:
There are no right or wrong answers. Don't over-think it.

Often your first reaction is the most accurate.

When you complete all the assessments continue to Step 2: Explore

Personality Assessment (Not Done - Do This First !)
Discover why you do the things you do and what occupations fit your strengths.
This is a scientifically validated instrument - it takes about 5 - 10 minutes.

Interests Assessment (Not Done)
Discover what your work interests are and what occupations fit those interests.
This is a scientifically validated instrument - it takes about 5 - 10 minutes.

Values Assessment (Not Done)
Discover what values are important to you and what occupations share these values.
Based on over 30 years of research by leading vocational psychologists - it takes about 5 minutes.

Your Feedback
When you finish this tab, please tell us what you think of it.

Click on the assessment and follow the instructions. Do not think too long on your answer – go with your first instinct. When you are done with each assessment you will be asked if you would like to review your results or move on to the next assessment.

It is recommended that you complete ALL three assessments and review your results at the end.

Your Value assessment is complete.

You may now:
