**Page 5, Q11. Please reflect on your expectations of the graduate program when you entered. How satisfied are you now with the program given your original expectations?**

1 I had to go to other LVAIC institutions to pick up undergrad courses that are mandatory for the program. if they are mandatory, why are they not offered through moravian-isn't that why I picked the program-so I could go to Moravian? Mar 28, 2012 12:30 PM

**Page 5, Q13. Do you have any final comments or recommendations about your experience as a graduate business student at Moravian College?**

1	I enjoy my graduate business experience more than my undergraduate business management experiences. This is due partially to my developed maturity since being an undergraduate and also partially due to the more relevant and interesting courses offered through the Comenius Center MBA program. Thank you!	Apr 9, 2012 7:23 AM
2	I found the people at Moravian to be very supportive and nurturing. My experience was very positive and fulfilling.	Mar 31, 2012 2:35 PM
3	Eliminate financial mgmt course for HR. Not beneficial	Mar 28, 2012 7:03 PM
4	Supply Chain electives can be offered more frequently. Scheduling seems to be heavy on Tuesday night; please vary the night class schedule across Monday-Thursday. There have been many Tuesday night class conflicts where two classes need taken are both on Tuesday.	Mar 28, 2012 3:52 PM
5	Overall my experience with the program has been positive. Where this program lacks and hurts itself is the lack of offering multiple sections of each class and classes overlapping each other on the same days. My time at Moravian has now been extended due to this and I wish that I had other options. If Saturday classes are offered, a section should also be offered during the week. Weekends for some of us are for overtime in our current jobs, second jobs and family time. I have recommended Moravian to other individuals but warn them about the lack of schedule flexibility.	Mar 28, 2012 3:07 PM
6	Its would be very helpful to have a course map as to when which courses will be offered so that students can plan ahead & map out when to take what courses. Its a complete guessing game plus it seems they cancel classes at the last minute too.	Mar 28, 2012 2:49 PM
7	if you're going to offer several programs, maks sure the class offerings per program are evenly spread out-some programs have considerably less offerings than others- causing people to have to wait until summer (and shorter class times)--when some classes are just best taught in a regular format.	Mar 28, 2012 12:30 PM
8	The MSHRM program does not offer as many classes and, therefore, makes it much more difficult to complete.	Mar 28, 2012 11:48 AM
