Fall/Spring 2019-2020

Suzuki Instruction

The method known as Suzuki was developed by Shinichi Suzuki for teaching young children. The philosophy of the program of study is that talent and musicianship can be learned by any child. The method requires parental participation in each lesson and in home practice. No prior experience with the Suzuki method or with music is required of either the parent or the child.

Placement with a Teacher

New registrants for lessons will be placed based on teacher availability. Requests may be submitted for a specific teacher, but requests will be honored as the student and teacher schedules allow. Requests for a change of teacher must be submitted in writing to the MCM I Program Coordinator.

Registration and Payment Schedule

Payment is due at the time of registration and must accompany the enclosed Registration Form. Without payment, registration is not complete and lessons will not be scheduled.

Suzuki lessons are available for classical guitar, cello and violin. Suzuki lessons are offered as a package extending from early September through May. The package includes private lessons, group classes, and recitals.

Registration with fee must be received by **August 19, 2019** in order to process and secure a time slot. Registrations are handled on a first come, first serve basis. The lesson fee can be paid in full at registration or made in three payments.

Attendance

Students are expected to be present for all classes and lessons for which they are registered. Lessons that are cancelled by the teacher will be made up at a time agreed upon by both parties. Teachers are under no obligation to make up lessons cancelled by students, and such cancellations will not result in any tuition adjustment.

If Moravian College is closed due to inclement weather, lessons and classes will be rescheduled. The following stations will broadcast information:

FM RADIO: WCTO 96.1 ♦ WLEV 100.7 ♦ B104 - WAEB 104.1
TELEVISION: WFMZ-TV Channel 69

(Over please)

Withdrawal

Circumstances occasionally require a student to withdraw after the session has begun. Please notify your instructor and the Music Institute office immediately. Fees will be refunded only in special circumstances.

Lesson Time

Teachers will notify their students after August 29th of the time and location of the first lesson. If you have not been contacted by Tuesday, September 3, please call the Music Institute office (610) 861-1650. Lessons will begin the week of September 3rd.

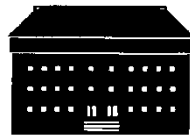

Late Registration

Late registrations will be accepted only if there is an available slot.
