INTERDEPARTMENTAL MAJOR APPLICATION  
(Please type all parts of this application)

Student's name: Title of Program

Student Address Current GPA  
(campus mailbox # for day students)

Student's email address: Expected Graduation Date:

Criteria

In the Interdepartmental Major, all of the courses in Set I must be from the same department. This determines whether the degree awarded is a BA or a BS. The courses in Set II may be chosen from one or more departments. Note that the title of the program should contain names of both departments listed, such as English/History.

Directions

1. Consult with your advisor from the department in Set I. Students must also obtain a signature from a consulting advisor from the department of the Set II courses (in the event that the Set II courses come from multiple department, the Set II advisor comes from the department represented the most among the chosen courses). Note the advisor for Set I will be responsible for signing registration forms and certifying for graduation; however, the student must consult with advisors for both departments before submitting the completed application to the ASC).
  2. List courses for Sets I and II below. **(At least one course must be a writing intensive course, WI. If not justification should be given why one is not included.)**
  3. Attach a written statement of the objectives and rationale for the interdepartmental major, and an explanation as to how the specific course indicated serve the student's educational or career objectives.
  4. Have your advisor(s) sign approval of the course selections and the written statement.
  5. Submit to Academic Standards Committee via the Academic Affairs Office, 2<sup>nd</sup> floor, Monocacy Hall.
- NOTE: No applications will be accepted *after* the student registers for his or her last term of study at Moravian College.
