Fall – 2017

Tuesday, September 5 – Wednesday, December 20, 2017

**Lessons**

For most people, private study is the heart of their musical training. MCMI offers lessons on many instruments and in various areas of musical study to students of all ages and levels, regardless of previous training or experience. Lessons are 45 minutes in length and taken as a set of 14. Special requests for 30-minute or 60-minute lessons may be granted pending consultation with the teacher.

- Students taking lessons must have an instrument on which to practice regularly.

Private, individual instruction is focused on the art and practice of an instrument or voice, with emphasis on tone quality, technique, rhythm, interpretation, and literature. Private instruction is available for the following areas:

Bagpipes	Composition	Flute	Oboe	Suzuki Cello	Trombone
Baritone Horn	Drum Set	French Horn	Organ	Suzuki Guitar	Trumpet
Bassoon	Electric Bass	Harp	Percussion	Suzuki Piano	Tuba
Cello	Electric Guitar	Harpsichord	Piano	Suzuki Violin	Viola
Celtic Fiddle	Film Scoring	Jazz Guitar	Saxophone	Theory	Violin
Clarinet	Finger-Style Guitar	Jazz Piano	String Bass		Voice
Classical Guitar	Flamenco Guitar	Jazz Voice			

\*NEW\* Audition Preparation: Many of our faculty can teach two to four lessons in preparation for auditions for colleges, shows, or Districts (Chorus, Band or Orchestra).

**Suzuki Instruction**

The method known as Suzuki was developed by Shinichi Suzuki for teaching young children. The philosophy of the program of study is that talent and musicianship can be learned by any child. The method requires parental participation in each lesson and in home practice. No prior experience with the Suzuki method or with music is required of either the parent or the child. Suzuki lessons are available for Cello, Piano, Violin and Classical Guitar. Please check our website for additional information.

**Attendance**

Students are expected to be present for all classes and lessons for which they are registered. Lessons that are cancelled by the teacher will be made up at a time agreed upon by both parties. Teachers are under no obligation to make up lessons cancelled by students, and such cancellations will not result in any type of adjustment of tuition.
