

Moravian Tiered Mitigation Plan

TIER 1

Tier 1 No Confirmed Infection in PA: Mitigation Actions - Education (Started week of March 2, 2020)

- Students returning from Level 3 countries asked to self-quarantine for 14 days at their parent's homes
- Education on COVID-19 transmission and contagion enacted
- COVID-19 posters distributed around campus

TIER 2

Tier 2 Confirmed Cases in PA, not in Lehigh Valley: Mitigation Actions - Social Distancing (Started week of March 9, 2020)

- Large social gatherings restricted or canceled
- Prepare to move classes online
- Continue education and hygiene education
- Increase cleaning of surfaces

TIER 3

Tier 3 Confirmed Cases in Lehigh Valley: Mitigation Actions - Furthering Social Distancing (Will Start week of March 16, 2020)

- Put all classes online
- Allow students to self select - home or dorms for the indefinite future
- Cancel all public events and restrict campus access to others
- Work with partners on clinicals and student teaching activities
- Limit interaction with the elderly and all people that may be showing symptoms

TIER 4

Tier 4 Confirmed Case on Campus - Containment

- Notify appropriate government agencies, Bethlehem Health Bureau, CDC and PA DOH
- Move student(s) to the quarantine area
- Affected faculty and staff will be quarantined at home and should work with their supervisor if teaching or working from home is a possibility
- Self-quarantine students who were in contact with infected student for 14 days
- Provide food "to-go" for campus community, deliver food for residential quarantined students
- St. Luke's Campus Health Clinic monitors infected student/s and quarantined students

TIER 5

Tier 5 Mitigation Actions - Government closes campus

- Work with parents on moving students to their homes in the most effective manner
- Continue online courses delivery until we are allowed to reopen
- Monitor affected students, faculty and staff
