How to check for flags, kudos, messages, and plans.

Dashboard

Your dashboard displays upcoming appointments and date-based tasks on the left to help you plan your week. The right-hand column of your dashboard highlights items that require your attention and may include alerts related to your class work, recommended referrals to campus support offices to help you succeed, and kudos from your instructors.

Messages

The Messages channel on your dashboard will display the content of email messages sent to you through Momentum.

Plans

The Plans channel will display any customized plans created for you by your advisor. This might include an Academic Plan or a more targeted plan for a set of specific tasks with due dates. Click the View Details button associated with a plan to display a printable version of the plan.
