Summer 2018
May 14- August 24, 2018

Lessons

MCMI offers lessons on many instruments and in various areas of musical study to students of all ages and levels, regardless of previous training or experience. Private instruction focuses on the art of an instrument or voice, emphasizing tone quality, technique, rhythm, interpretation, and literature.

- Students taking lessons must have an instrument on which to practice regularly.

Summer music lessons take place during the time period listed above, however no lessons can take place until the full payment is received. Schedules can be arranged to accommodate vacations. Your teacher will contact you to arrange the day and time for the lessons.

Lesson Cancellation & Make up Lessons

Lessons that are cancelled by the teacher will be made up at a time agreed upon by both parties. Teachers are under no obligation to make up lessons cancelled by students, and such cancellations will not result in any type of adjustment of tuition.
